DECORATE EDINBURGH

Decorate Edinburgh is an inclusive charity project which is spreading Christmas cheer to some of Edinburgh's much-loved areas. Organisations have taken one of our trees, supplied by Bethany Christian Trust's Caring Christmas Trees project, and they've each been working as a team to design and decorate it. Some have collaborated with local artists from across Edinburgh.

These places have become our tree trail, which you can see overleaf. From flamboyant to traditional, monochrome to multi-coloured, follow the trail around the city, ticking off old favourites and discovering exciting new places. Grab a map from one of our box offices and set off at your own speed.

Decorate Edinburgh originated from the Christmas Tree Festival at St. Andrew's and St. George's West Church. We continue to work together by supporting the same charities.

These charities are:

EDINBURGH CLOTHING STORE

Edinburgh Clothing Store offers free clothing, shoes, bedding, curtains and towels to individuals and families who are on low income, or otherwise vulnerable through personal circumstances.

SUNFLOWER GARDEN

Sunflower Garden works with children within the city of Edinburgh who are affected by drug or alcohol misuse in their families.

CASH FOR KIDS

Cash For Kids raises money for local children and young people who are suffering from abuse or neglect, who are disabled and have special needs or who simply need extra care or guidance.

BETHANY CHRISTIAN TRUST supports 5,000 homeless and vulnerable people every year in Scotland to find, equip and maintain a home within their local community. The Caring Christmas Trees project started in 2005 to fund Bethany's Winter Care Shelter. The Care Shelter offers a hot meal, a safe place to sleep and advice to around 40 rough sleepers every night for five months of the year.
