

Fundraising for Dog and Cat Home

Between them they managed to skip 528 times in 3 minutes and raised £100 for The Edinburgh Dog and Cat Home at Seafield! At present the kennels report that they are full of unwanted dogs and cats, who are there through no fault of their own.

The funds raised by Carrie & Jianna will help enormously to make these animals' stay at the Home more enjoyable. Carrie's family have an EDCH rescue dog called Sammy, who has been with them for some time now. She has settled in perfectly and comes back for regular visits to say 'hello' to the staff who cared for her.

Great effort from these two girls!
