Do you know where your nearest swimming pool is? Or the nearest tennis court? Well [Edinburgh Leisure](#) have a list on their site of all the venues which they manage....some of them may surprise you! Did you know that they manage the Port Edgar Marina?

As well as this there are some very good sports facilities in the hotels in the city.

The Reporter favours [The Sheraton OneSpa](#)....just for the rooftop pool! But the gym is also very nice...if a little tiring...
