

Cycle Challenge – on Arthur's Seat!

✖ The Bike Station have chosen Arthur's Seat as the venue for their next cycle challenge. It takes place on the 22nd of August and they say it is for families (have they seen that hill?).

They tell us that there are rides for everyone from the serious biker, who can do the lap challenge right down to the adventurous child who can help with the quiz trail.

Free breakfast from 9.30 so there's a good incentive! Bike mechanics are available from 8.30 to give your bike the wee bit of care it might need before you set off.

More details and registration to get your number on the [Bike Station website](#).
