

# Fancy bidding for a new pair of shoes?

✖ Well have a look at these. If you are size 40 then they will fit. If you are a Shirley Bassey fan then you might like them too. But if you do buy them then you will be helping Barnardo's charity – which is active right here in Edinburgh. This is part of the Barnardo's Best Foot Forward Campaign.

To bid for these and other shoes donated by Bette Midler and Megan Fox you have to go to their website which you can find [here](#).

You only have a few more days till 31st October!

Barnardo's runs several shops in Edinburgh as well as projects to help children of all ages, including the Project called 16+ Edinburgh which provides accommodation and support for young people who are moving on from the care of The City of Edinburgh Council. It is used by young people who have been in care, from the Edinburgh area.

Barnardo's Scotland Fostering provides foster placements and child therapeutic services to children and young people with a range of additional support needs. This includes Emergency, Bridge (short term) and Permanent (Long term) Fostering as well as short-breaks

Barnardo's Residential and Families Together – Residential care for children aged 5 to 12 years who have had multiple placement breakdowns and for whom immediate family placement is unsuitable. Helps children work through past experiences and prepare them for their next placement.
