

Fireworks at Heriot Watt!

✘ Edinburgh was rocked to a huge fireworks display on Tuesday night at 7pm to celebrate the 40th anniversary of Heriot Watt University being at Riccarton Campus. The event was seen by several thousand people around the campus. The display, set up by award winning company 21cc Fireworks, could be seen from the centre of Edinburgh and heard as far afield as Hopetoun.

✘ Here are some of the lovely Thomas Haywood photographs for you... You can see more of his images on his own [website](#).
