

# St Andrew's Day Poster competition for schoolchildren

November 30th is a special day for Scotland. Not only is it the day for celebrating our Patron Saint, St Andrew but it also provides an opportunity to celebrate everything that's unique about Scotland.

To mark this special occasion in 2010, The Scottish Government has launched a poster competition for schools and early years settings with the theme of Scotland's Food and Drink.

This is a great way for schools to showcase their creativity and imagination and to win a great prize! You will get further information from the leaflet below... Click Full Screen to view.
