

# Christmas Wish – Please can we have city bikes in Edinburgh?

☒ Even in these austere times – or particularly in these austere times – we would like to promote the idea of city bikes in Edinburgh yet again. We wrote about this [earlier in the year](#). If we had bikes to hire in Edinburgh then we could massively improve our carbon emissions as a city. And it could be one of our Edinburgh PR companies who made this wonderful video which you can see below – and Arthur’s Seat would be the backdrop....
