

Hogmanay road diversions and closures in Edinburgh

Edinburgh's spectacular Hogmanay programme begins on Thursday 30 December – four days and nights of amazing events throughout the city. The celebrations do however bring some disruption to traffic, parking and loading.

A number of roads will be subject to closures and parking restrictions to ensure that on-street events can take place safely. Some parking restrictions will also be required to keep diversion routes in the city clear.

To enable you to plan your journey [The City of Edinburgh Council](#) has a list of all diversions as well as any other road works.
