

Indie band Endor – newest track

Our new Edinburgh Reporter contributor, David McGinty, does a lot more than just write for us. He also fronts an indie Glasgow band called Endor...they have their [own website](#) too.

And this is their latest track..called Without the Help of Sparks. We know they are from Glasgow but what do you Edinburgh people think?

Find more artists like [endor](#) at [Myspace Music](#)

David's principal interests lie in covering music and films so watch this space! He has already written [a review for us of The King's Speech.](#)
