

The 68th Annual Golden Globes

By the time you get up on Monday morning it will all be over for another year – or at least until The Oscars. Everyone will have had their fill of champagne and gone back to their luxurious suites in their luxurious hotels in luxurious Los Angeles. All that we can hope is that some of the films showing or about to be shown in our Edinburgh cinemas, or which are, in the case of The Illusionist, actually about Edinburgh, will have had due recognition. By that we mean of course The King's Speech...but there are a few others on the list. So here is the complete list of nominations.
