

John Beatty presents Wild-Vision

☒ Internationally acclaimed photographer John Beatty will be in appearing in Edinburgh this April with a fantastic evening of stories and images from his journeys into the wilderness.

John is widely acclaimed as one of the most exciting and stimulating nature, travel and adventure photographers to have emerged in recent years. His pictures have appeared in The Times, the National Geographic, the Daily Mail & CBS News as well as in almost all the outdoor media.

He has dedicated his life to capturing the magnificence of the natural environment through his lens and has travelled to over 38 different countries. He is currently one of twenty UK photographers taking part in a new conservation initiative called 2020Vision: For a wilder Britain. His audio-visual presentations infuse his audiences with energy and wonder at the beauty of our planet. With images and footage from the ferocious volcanic eruptions on the Eyjafjallajökull glacier, Iceland, the Great Migrations of the Serengeti and the beauty of the wild land locations of Britain.

“A superb creative experience.” Sir Chris Bonington

“A life changing experience...In short: Beatty has helped me ‘see’.” ☐ Rosanna Rothery, North Devon Journal
