

Stevenson College hosts Information Day this week

✘ This Thursday, 31st March 2011, Stevenson College Edinburgh will be hosting an Information Day at our Sighthill Campus from 2pm – 7pm for courses starting in August 2011.

The event will allow prospective students to come to the college to discuss options for courses starting in the next academic year (2011/12). Lecturers will be available from all College faculties (Access & Continuing Education, Business Administration and Languages, Creative Industries, Early Education Health & Social Care and Science, Sport & Engineering).

The College's latest course guide is already available online and copies will also be available at the event, which includes details of a range of new courses starting this August including Preparation for HNC Social Science, NC Travel & Tourism, HNC Retail Management, Degree Foundation Computing and HNC Electrical Engineering as well as Day Release/Evening professional development courses such as the TUC Diploma in Employment Law and The Chartered Institute of Housing Level 4 Certificate in Housing.
