

# Ecofusion April 2011

☒ Ecofusion took place in Edinburgh's Inverleith Park yesterday and if you weren't there then you missed yourself. That is, if you are interested in the outdoors. This event was multi-cultural and environmental – and a great day out for the family. The best way to describe it is to show you the photos....

The crowds at Ecofusion enjoying the sunshine

A bird of prey keeps his beady eye on the crowds....

Whitmuir the Organic Place sold loads of burgers!
