

RNLI fundraising cycle

✘ A cycle ride from the RNLI Dunbar Lifeboat Station to the RNLI Queensferry Lifeboat Station raised about £1900 for the RNLI Queensferry Lifeboat Station.

The ride was organised by Jo Simpson and Alastair Pryde in memory of Jo's late husband Chris, who tragically died suddenly when on a training cycle ride last January.

Sixteen riders took part with thirty family members joining them for part of the route. This latest fundraising brings the total raised by Jo and her family to around £10.000 for the RNLI.

pic by Hamish Campbell shows: Jo Simpson with daughters Amalie(8) and Kiera(7) from South Queensferry present the cheque to RNLI Queensferry Lifeboatmen Martin Crawford and Matthew Foster.
