

Development Management Sub-Committee meeting 25 May 2011

The Development Management Sub Committee meets this Wednesday. The agenda is below.

[devsub_25.05.11__10am_agenda](#)

All but one of the applications for presentation have been recommended for approval. There is an application for the demolition of an office building on 21-23 Windsor Place, with an application to construct 23 flats on the same land also put forward.

Eleven of the applications concern the installation of telecommunications cabinets. The one application recommended for refusal is a telecommunications mast on 1 Saunders Street, Stockbridge.

We will have a full report after the meeting.
