

Climbers use Edinburgh Premier Inn as base camp

The Great British Youth Climbing Team stayed at the brand new Premier Inn, Edinburgh Airport prior to the team taking part in the World 2011 International Federation of Sports Climbing European Cup.

The team visited the Edinburgh International Climbing Arena in Ratho to take part in the competition and were generously offered discounted accommodation by the nearby Premier Inn Edinburgh Airport, Newbridge in support of their international endeavours.

Premier Inn opened a new £8.3 million 119 room state-of-the-art hotel at Edinburgh Airport, Newbridge, last month.
