

Development Management Sub-Committee meeting 8 June 2011

On Wednesday 8 June 2011 the Development Management Sub-Committee will meet at the City Chambers.

There are many prominent issues to be discussed at this meeting including a new sandwich shop on Teviot Place, a telecomms mast on Niddrie Mains Road and new houses and flats on Gracemount Drive.

The issue that stands out most, however, is the partial demolition and conversion of the former Odeon cinema on Clerk Street which looks set to finally be decided.
