

Meadows City Tennis Club Tournament June 12 2011

✘ The [Meadows City Tennis Club](#) is a friendly, LTA (Lawn Tennis Association)-affiliated club, established in 2002, offering social/competitive tennis for adults, and a dedicated juniors club.

The club is quite unusual in that it is based play on public courts, located at the eastern end of the Meadows, close to Edinburgh University buildings and Buccleuch Street. It was founded as part of the LTA's city tennis scheme which set out to establish club tennis on public courts. The club won the LTA's Club of the Year award in 2003

There are 16 courts – all re-surfaced in 2007 – the club generally has 3 courts for club sessions (see [the website](#) for full details of times etc).

Annual membership fees are a very reasonable £55 for adults; £45 for students; and £25 for kids – with early bird discounts.

New players of basic club standard upwards are always welcome. Try out the club before joining by coming along to one of our social tennis sessions, [detailed on the website](#) and also as explained below.

✘ The club organise an extensive social tennis programme, mainly playing doubles at club sessions, and enter both men's and ladies' doubles teams in East of Scotland doubles leagues. We also hold a series of annual club competitions, and have weekly indoor sessions during the winter. We also organise occasional social events for club members.

American Doubles tournament – Sunday 12 June (1.30 pm – 4.00 pm)

Great chance for competitive match-play & for non-members to find out more about the club!

Open to members & non-members

The format can also be good for novices and those who are not so confident of their tennis, but all levels are welcome. The tournament is played as competitive doubles in a rotating format – no need to enter with a partner!

If you win the most games then you win the prize!

Entry fees: £3 (non-members) / £2)members

To enter email David at: info@meadowstennis.co.uk

Please enter by 5.00 pm on Friday 5 June at latest.
