

# Fringe Review: Fascinating Aïda (\*\*\*\*)

Fascinating Aïda are 3 ladies who have a wry and often hilarious view of the world through song.

Dillie Keane, Adèle Anderson and Sara-Louise Young take you through subjects such as tax evasion, religion and cheap flights. The packed auditorium was a testament to how popular this trio are and was often in a state of mirth! There are some pretty racy songs so it is not for the faint-hearted! Dillie is responsible for some of that content; she has a very sharp wit and a great sense of the pulse of the audience.

☒ Their song, Cheap Flights – an internet sensation- drew large rounds of applause as it took apart the myth that you can fly anywhere for 50p for once and all!

Go see it, that is, if you can get a ticket before it's too late!

Fascinating Aïda are on at the Gilded Balloon at 6.45pm daily until 29th August
