

Views from The City Chambers today

☒ Today we have interviewed the leader of the Conservative Group to find out what he thinks will happen at the special meeting of the council being held at The City Chambers tomorrow. We found out that the position of the Tory Group is really unchanged, they just want more information before taking a decision. But they have at least confirmed that they are pro-trams:-

Then we spoke with Councillor Lesley Hinds the Transport spokesman for the council's Labour Group. She confirmed that she too was still waiting for the Report from the Chief Executive, but had a lot to say about the need for the tram project to move forward.
