

Christmas in the Courtyard at Newhailes

Join the team at the National Trust for Scotland's Newhailes in Musselburgh for a host of Christmas activities on 3 and 4 December.

Rhiannon Naismith, Property Manager for Newhailes said:

"Escape the pressures of the High Street and join us in the Stables Courtyard for some festive fun and a visit from Santa on Saturday. Our gift shop has plenty of lovely and unique gift ideas for you to look through."

The Stables Café will be serving festive treats throughout the weekend as well as wreath making and a visit from the Holy Trinity Bell Ringers.

Rhiannon added:

"There are plenty of events to get people into the Christmas spirit from Christmas tree decoration making to a Winter Wonders Ranger Walk. There really is something for everyone!"

Booking is required for all events except Santa's Grotto and

Storytelling. For the Wreath Making Workshop please see separate event ad to book online.
