

Edinburgh Zoo welcomes the pandas...but what about the penguins?

Tian Tian

The two Giant pandas Tian Tian and Yang Guang will be arriving at Edinburgh Zoo this Sunday. There will then be a two week gap before the public are allowed to see them.

But we were out at the zoo today and we are now wondering...what about the penguins? They had their own internet moment [when the penguincam went viral](#)...but now the pandas are to get their own panda cam...

So who will be top dog now?

FedEx are transporting the two pandas to Scotland and you can [track their progress here](#)....
