

Forth One Appoint new Presenter

- ✘ Forth One is pleased to announce that Dave Connor will be joining the station as its new drive time presenter.

The arrival of his new voice, personality and energetic character to Forth One will further bolster the incredible line up at the station. The number one station in its marketplace, Forth One will continue to lead the way playing more hit music and providing the best locally tailored news, sport, traffic and travel and entertainment for audiences in Edinburgh, the Lothians and Fife.

A proven ratings winner, Dave will join Forth One from the beginning of 2012. The 32 year-old began his career in 1998 at Kingdom FM in Fife, progressing through a number of stations in the area, including a six year stint on drive time on Tay FM in Dundee before heading north to host the breakfast show on Original 106 in Aberdeen.

Cathy Kirk, station director at Forth One, said: "We're delighted to welcome Dave Connor to Forth One's drive time show. The station is dedicated to bringing listeners the best in local talent and fantastic music, entertainment, sport, news and travel tailored specifically for audiences across Edinburgh, the Lothian's and Fife.

"I'm sure Dave will be a hit with our listeners and that they will look forward to sharing the drive home with him on

weekday evenings.”

When talking about his new role, Dave Connor said:- “It’s every presenter’s dream to host one of the flagship shows on the station they grew up listening to. As a born and bred Fifer, I’m over the moon to join the team and work alongside local legends like Boogie and Grant Stott.

“I previously covered some weekend shows for Forth One while I was working at Tay FM and I can’t wait to get back to the station and broadcast to all our local listeners. A move back to Edinburgh and Forth One is perfect – I love the vibrant vibe of the city and its people.”

Catch Dave Connor on the Forth One airwaves from early 2012, weekdays from 3-7pm.
