

It's Good to Give Car boot sale 13 November 2011

Fill your boots ahead of Christmas for charity

Whether you want to de-clutter your home in time to host some Christmas cheer or pick up a few rock bottom bargains, Hilton Edinburgh Airport is where you need to be as they host their pre-Christmas car boot sale on Sunday 13th November between 10am – 2pm in aid of children's cancer charity It's Good 2 Give.

[It's Good 2 Give](#) supports local young people with cancer and their families to make their lives a little bit easier on a day to day basis, from running practical workshops to supplying parents' and patients' packs with a few essentials for those unexpected hospital stays.

The sale will cater for all those adults who want to shop, give and donate with some entertainment on the side with a tombola, an array of stalls, light refreshments and hot drinks to keep you warm as you explore.

The charity is 100% volunteer based so every penny raised goes towards their goals, so we'd like everyone to get involved and come along as all entry fees will be donated to the charity.

For more information please contact Lynne Rennie on 0131 519 4403.

Entry fee: £10.
