Come and make your views known:

Date: Thursday 10 November 2011

Time: 7.30 – 9pm

Venue: City of Edinburgh Room, Lothian Chambers,
59-63 George IV Bridge, Edinburgh EH1 1RN

On 24 November 2011, the Council meets to decide on arrangements for the future delivery of:

- waste collection
- recycling
- street cleaning
- grounds maintenance
- vehicle fleet services.

Significant service improvements and efficiency savings must be made in the next few years:

- should the Council's own plan for delivering these be followed?
- or should the Council work with a specialist delivery partner?

This is a ticket only event. You can apply for a ticket online: [Public debate on delivery of environment services online form](#) or by calling 0131 469 5755 during office hours.

Applications close at 12 noon on Tuesday 8 November.

The council will allocate tickets on a first come first served basis by Neighbourhood Area, and will issue one ticket per application.
