Lynne McNicoll of the charity [It's Good 2 Give](#) said:-

*"Want to celebrate Christmas by putting a message for loved ones or a wish (one lady has wished for a kind, handsome man, many of course are wishing for health and happiness in 2012, but you can wish for anything you like) onto one of our tags and we will add them to our three trees in St Andrew Square gardens. We have named these three trees Faith, Hope and Charity for the next two weeks!*

*We also have wishing trees inside Craigie's Farm shop and Zest salons, so pop along to them and add a tag to their trees.*

*Perhaps your business, school, university might consider taking some of our tags and asking staff to participate – please get in touch and we will gladly deliver some tags and a collecting box to you.*

*Our volunteers will be in the gardens (weather permitting ) most lunchtimes and all day at weekends starting on Saturday 10 December.*

❌ **What is It's Good 2 Give?** Here are some of their messages from their website:-

*"On a day-to-day basis It's Good 2 Give provides support of another kind – anything that can make the lives of those*

impacted by cancer in any way easier. Whether that's a parents pack, a workshop, or nutritional snacks, we'll try to find a way to make it happen.

It's Good 2 Give offers support to young people with cancer and their families.

We also try to make life a little bit easier on a day-to-day basis."
