

# Lions raise funds for Teenage Cancer Trust

The Lions of Edinburgh, Dundee, Dunfermline and Kirkcaldy  were pleased to make a presentation of £200 to Teenage Cancer Trust East of Scotland at their recent Zone meeting. The money was raised during fundraising at a Lions awareness stall at this year's Royal Highland Show.

Zone Chairman, Lion Andrew Kerr Sutherland thanked the Lions for their service during the event and was pleased to make the presentation on their behalf. Teenage Cancer Trust fundraiser, Siobhan O'Hara was delighted to receive the donation, which will help the East of Scotland appeal to create a specialised unit for teenage cancer at Edinburgh's Western General Hospital.
