## **Event photography**

Are you a party organiser with a low budget who cannot afford to hire a photographer?

(Weddings, Parties, Christmas events, Formal dinners, Masonic Lodge events, Proms etc)

Thomas Haywood Photography offers a FREE mobile service to you!

- We will set up a back-drop with studio flash lights
- Take the photos on demand of the guests
- Print off instantly the desired photos on a 6×9 inch print and mount it
- the guest can then take it home with them on the same night!
- we can even provide the electronic versions to guests if

requested

It's quick, easy and simple for the guests!

Charity events will even get £1 for every photo sold! (in other words they get paid to have a photographer there!!)

Photography of the rest of the event is available (price on application) and what's more it's ROYALTY-FREE!
