

# The Edinburgh Reporter Advent Calendar – Gift ideas for children – Oobicoo Orla

Say Hello to Oobicoo Orla, the adorable soft toy tot from Edinburgh's award-winning Totseat company.

Oobicoo Orla comes in her own fabric pouch and is designed to wear outgrown baby clothes, giving your loved ones an unending choice of outfits – encouraging good old fashioned role play, dexterity, and recycling!

 The same size as a six-month-old child, Orla is made of  plush, so wonderfully soft and cuddly and big enough to be a proper friend, or sibling, to both boys and girls.

Earth friendly Orla is washable, made from recycled and recycleable fabrics and is raising money, with every sale, for the Children's Immunology Fund.

Winner of Best Soft Toy – Rainbow Toy Awards, LovebyParents Awards and Practical Pre-School GOLD. Shortlisted for Gift of the Year.
