

Audio – Eat with Mark Greenaway and pay what you want!

Mark Greenaway is Executive Chef at the restaurant which bears his name at 12 Picardy Place. He has a great love of food and this month is opening the door to allow you to try out his food at bargain prices. This is the restaurant equivalent of a January sale. So what is the deal? Well Mark is happy to let you come to his restaurant and eat what you would like to – and then pay what you want!

We had to go along and speak with him to find out more  about what he is doing while other similar restaurants may be closed for a rest in January....
