Stuart is an active part of the House scene and after performing in every continent in the world, he's now a firm fixture in the Hed Kandi Global roster producing what Stuart told us is some of the best electronic based music in the world.

We chatted with Stuart on the telephone and he said that he has never been to the capital before and he is very much looking forward to his visit. He is performing in Edinburgh on the Friday evening, but is staying over for an extra night, so is looking for ideas about how to entertain himself for the rest of the weekend. So house aficionados where should he go? What should he do? Send us your ideas!

From Vancouver, Cape Town, Macau, Dubai and Uruguay, to displaying his skills in front of 3000 people on NYE at Pacha, Florianopolis in Brazil, his skilled precise mixing of Soulful Warm Ups, Sumptuous Disco House to Main Room Anthems, combined with his effervescent style never fails to serve up hands in the air action on global dance floors.
