

Lothian and Borders police target Metal thieves

Lothian and Borders Police have launched a campaign against criminals who target buildings to steal metal. You may wonder why, if you are not a scrap merchant or a building owner why this should bother you. Well if the thieves steal metal from railways, then it could affect your safety. If they steal your TV aerial or other telecommunications equipment, then it might affect your entertainment or communications.

Here is the poster issued by the police to explain more:-
