

Council Elections 2012 – Meet the candidates – Robert Aldridge

☒ Robert Aldridge is the LibDem candidate for Drum Brae/Gyle ward.

He is a serving councillor and has been Vice Convener of the Transport, Infrastructure and Environment Committee in the current administration. We photographed him last year at the City Chambers when the council announced that some councillors would be using Go Zippy electric scooters to get to and from work. We are not convinced that ever started.
