

New era begins for Edinburgh Sculpture Workshop

[Edinburgh Reporter Radio – New era begins for Edinburgh Sculpture Workshop](#) by [bobertd](#)

Edinburgh Reporter Radio visited the Edinburgh Sculpture Workshop's new Bill Scott Centre to find out more about this new space, who can use it and what lies ahead for the organisation.

Assistant Director Gordon Munro told us that he hoped Edinburgh Sculpture Workshop in its new form would be something that "Leith, Edinburgh and Scotland will be proud of".

You can find out more about the new facilities on the [Edinburgh Sculpture Workshop website](#).
