

Get ready for the Edinburgh Fashion Swap on 3 November

✖ After much success in Inverness, I Heart Swapping is bringing you their very first Edinburgh Fashion Swap; an environmentally friendly way to get a new wardrobe.

Bring along up to 5 items of clothing or accessories that you no longer wear or want, but that are still in good condition and simply swap them one for one for someone else's similarly unloved items. Just imagine what you could find!

Focused on the simple idea that "one person's trash is another person's treasure" while aiming to promote affordable fashion and sustainability for the future.

All leftover items are donated to Cancer Research UK.
