

# Len Lothian allow you to do it yourself!

## Edinburgh Self Storage Facilities

Len Lothian have three self storage facilities in Edinburgh. These can be located easily with two of the self storage facilities based in the Sighthill area ([Sighthill](#) and [Calder Road](#)) as well as their main storage centre which is situated in [Granton](#). They offer rooms, lockers and containers to suit all size requirements in each of the locations so all you need to do is decide which location best suits your needs.

The Granton storage facility is the largest with 900 secure self storage containers available on-site. This location also offers 'Value' units to customers on a tighter budget.

The self storage units and warehousing are priced by the day to give you the most cost-effective and flexible solution possible. They will even match any like for like competitor self storage quotes.
