

# Bulb Planting In Muirhouse

☒ Schools, Clubs, Residents, staff from Muirhouse ☒  
Millennium centre and staff from North Edinburgh Arts  
Centre joined local artist Natalie Taylor to get planting  
under way.

Just after 10am this morning children from Oaklands arrived  
and got the planting started. Soon after those children left,  
Eco reps from Craigroyston arrived on site at Muirhouse  
Avenue. In true Craigie fashion the heavens opened. Despite  
the heavy rain the kids spirits were not dampened and they  
were ready to listen to local artist Natalie who gave them  
instructions on how to plant the bulbs

" You see a bulb – Pick it up – Dig a hole – Pop the bulb in  
and the replace the soil"

☒ It did not take much to get the children in the mood to ☒  
get the planting done, armed with the necessary tools  
and brute strength the first of hundreds of bulbs were  
planted.

It wasn't long until more local children and adults joined in  
to help plant the bulbs in the afternoon. Over 300 bulbs were  
planted in M alone. Another FACT about MUIRHOUSE the size of  
the Letters are 2 metres by 17 metres.

Over 40 pictures were taken today – They can be viewed at
