

Les dîners du Bistrot : Casse-croute du Beaujolais

The Beaujolais nouveau arrives! A big event that Le Bistrot de l'Institut celebrates by throwing a fantastic food and wines party.

Every year on the third Thursday of November, tradition has it that we open the first bottles of Beaujolais nouveau, the most popular 'vin de primeur' that has just fermented for a few weeks.

On this third Thursday of November, 15 November 2012, and for one evening only, Le Bistrot sports the colours of Beaujolais and serves a selection of specialties from the region to tickle your taste buds while you are enjoying the new wine.

For the sake of comparison, a larger selection of older Beaujolais wines will also be available!
