

# Edinburgh hotels win Simply the Guest awards

On Monday of this week LateRooms launched their new, annual 'Simply The Guest' hotel awards and a number of hotels based in Edinburgh have won an award.

The winner of the Luxury Hotels Category was the Oakhill Apartments, whilst The Edinburgh City Hotel made it in the top 10 Romantic Hotels category.

The awards have been presented to those hotels scoring the highest review scores left by guests who have booked and stayed through LateRooms.com, so these are genuine reviews.

LateRooms.com features the UK's largest range of accommodation (over 15,000 hotels in the UK alone), so this award really is a great achievement and well deserved.
