

New Weight Watchers Meeting on in Murrayfield

Yesterday I opened a brand new Weight Watchers meeting meeting in Ellersly House Ellersly Road Edinburgh at 10am.

I joined a meeting myself over 20 years ago in Murrayfield and successfully lost 3 stones!

I then went on to become a Weight Watchers Leader and have been a leader for almost 19 years.I am now delighted to be back in Murrayfield to help others lose weight Weight Watchers new approach uses up to date science and is recognised by doctors as being one of the most succesful and healthy ways to lose weight
