

Eric Johnson: 'Up Close – Another Look'

Edinburgh Queen's Hall 5 April 2013

Provogue Records (a division of Mascot Label Group) has announced the UK release of **Eric Johnson's** special edition album "**Up Close – Another Look**" on Monday 1 April 2013. The album coincides with **Johnson's nationwide UK tour** which starts at **London's o2 Shepherds Bush Empire** on **Wednesday 3 April** (full tour dates listed below).

Grammy award winning guitarist, songwriter and singer **Eric Johnson** brings listeners up close to his stunning musicality with the release of this custom European version of his sixth studio album. The 13-track affair presents 12 new Johnson compositions, plus his version of the Electric Flag song 'Texas'. The special edition includes revised and remixed tracks featuring guest appearances from **Steve Miller, Jimmie Vaughan, Johnny Lang** and **Sonny Landreth**.
