

Leeches running scared in Edinburgh Dungeon...

✖ Fear is a funny thing. And earlier today leeches appeared to be running scared from Dr Knox and the Easter bunny as the Edinburgh Dungeon, (which calls itself Scotland's top attraction for scary fun for very good reason), unveiled its latest exciting new features in time for the Easter holidays.

✖ Beware – in Dr Knox's Anatomy Theatre, teens and families alike may laugh out loud or even unexpectedly jump! Are leeches really on the loose? Visit this Easter to find out!
