

The Easter Bunny will help with your bags...

Staff at the Chester Residence are getting a helping hand from a kilt-clad Easter Bunny this weekend. The 'new team member' will help welcome guests, carry bags and deliver room service.

The Chester Residence is a series of 23 five star luxury apartments set over four townhouses in Edinburgh's leafy West End. The hotel was recently named TripAdvisor UK Top Small Hotel 2013 in their Travellers Choice Awards.
