

VIDEO – New Kick Pitch opened in Murrayburn Gardens

The council have spent just over £20,000 renovating the kick pitch in Murrayburn Gardens and it was officially opened today by a visit from two of the councillors for Sighthill/Gorgie, Cathy Fullerton and Denis Dixon, accompanied by Councillor Ron Cairns who had had his part to play.

Local MSP, Gordon MacDonald was also on the touchline for comment, but the biggest role fell to Ron Mack who had pestered Councillor Cairns to find the money and get the work done.

The Edinburgh Reporter went along to find out more about how it had all happened.
