

Four arrests after waterfront drugs search

Four men have been arrested and charged under the Misuse of Drugs Act after Police Scotland recovered Class A drugs in Edinburgh.

Officers carried out a search of a property in the Waterfront area of the Capital yesterday (Thursday) and seized £2500 worth of crack cocaine from within.

The men, aged 28,28,25 and 20, are all scheduled to appear at Edinburgh Sheriff Court on Monday 3rd June.

DI Stuart Harkness said: “Drugs can have a devastating impact on our communities and as a result of police enquiries, we were able to recover this crack cocaine before it could be distributed on our streets.

“Police Scotland is committed to keeping people safe and removing drugs from our communities.
