

Breakfast Bike Ride 19 June 2013

Breakfast Bike Ride 2013

In 2012 the first Bike Breakfast was launched. Edinburgh residents accompanied their political representatives along their cycling commuting routes to central Edinburgh meeting at the City Chambers for the annual Spokes Bike breakfast.

Once again on Wednesday 19 June 2013, people will be meeting their MPs, MSPs and councillors across Edinburgh to cycle together to SPOKES' bicycle breakfast.

This year's organisers hope to double the number of councillors attending the rides and breakfast. "After a record turn out of more than 4,000 people at POP2 this year it is clear our representatives have an obligation to engage with us, we are providing the perfect opportunity to have a meaningful conversation about cycling".

Organisers hope to get at a greater number of City Edinburgh Council Councillors on the ride or at the Breakfast this year.

For details about rides and times please check our website and Facebook groups.
