Six Weddings. From meal planning to family planning.

In the prime of his life Mike attended 6 Weddings in eight months as an usher, brother of the bride or guest. Apart from leaving him a bit skint, Mike was left to ponder his own existence.

Why isn't he married? Why isn't he a homeowner? Why isn't he a dad?

In this show Mike shares stories and observations from an eventful eight months, and reveals his modest house husband attributes as a thorough recycler, insistent shopper and great sock manager.

With the purchase of a new car he started to question maybe it's time to start a family of his own. Is he ready?

This is Mike's third 1hr show at the Fringe. Mr Famous & Mike Newall's Get Better Box were performed in 2010 & 2011.

Mike was a performer in Big Value Comedy Late Show at the Festival in 2011.

Mike has performed as support act to Alun Cochrane on UK Tours

in 2013 & 2012.

Mike has also performed as support act on Justin Moorhouse's Tour 2013.
