Following 6 years of sold out shows at the Edinburgh Fringe, the Amazing Bubble Man will this year perform his unique bubbletastic show at the Assembly Rooms. Scientist Louis Pearl has created a show with a mix of art, magic, science and fun of bubbles. Combining visual comedy and artistry with audience participation and enough spellbinding bubble tricks this show guarantees to keep everyone mesmerized. From square bubbles, bubbles inside bubbles, fog-filled bubbles, giant bubbles, bubble volcanoes, tornados and trampolines to people inside bubbles, the Amazing Bubble Man conjures shrieks of laughter and gasps of amazement from all ages.

The Amazing Bubble Man has been performing around the world for 30 years. He has written two books about bubbles, made a video called “Lights, Camera, Bubbles!” and has so far produced 21 fantastic bubble inventions.
