

Edinburgh Festival Fringe – The Rat Pack Stand Up Comedy

**The Free Sisters (Maggie's Chamber), 1-25 Aug (not 11), 3.45pm
(1hr)**

The Rat Pack Stand-up Comedy

Different, top comedians every day with Rat Pack music!

The Rat Pack stand-up comedy – cool, laid-back stand-up with Rat Pack music, drinking, silliness and hopefully, you! Anything Goes! Bringing audience and comedians together in a new way.

Hosted by Malcolm Hardee Award nominee 2012 Nathan Cassidy.

“Great jokes with an easy, confident manner. Cassidy seems to have a real commitment to making intelligent shows about fun ideas.” Fringe Guru 2012

A very different stand-up show in one of Edinburgh's most glamorous, big cabaret rooms. The Rat Pack comedians are suited and booted, all on stage for the duration, and ready to do something looser than their usual club set, creating a vibe reminiscent of a Vegas Rat Pack show. The show's been running all year on the London Fringe and now comes to Edinburgh!

The Rat Pack comedians include Jarred Christmas, Patrick Monahan, Mark Dolan, David Mills, Romesh Ranganathan, Howard Read, Sara Pascoe, Milo McCabe, Damian Clark and Bobby Mair.

The Rat Pack is all about bringing people together – comedians and audience – to create a whole new experience for a stand-up show. It's free-form, warm, with a buzz that anything can happen. As the Rat Pack said 'Anything Goes!'
